

# Top 5 Questions to Ask Your Web Design Firm

- 5 How long have you been in business?
- 4 Do you have an in house design team?
- 3 Do you have your own programming staff?
- 2 How many firms have you served and who are they?
- 1 **Do You GUARANTEE Top Keyword Placement in the largest Search Engines?**

## Why is SEO (Search Engine Optimization) Important?

"81% of consumers/businesses find their products and/or services through a search engine; organic results (natural listings that appear in search engines like Google) are 8.5 times more likely to be clicked on than sponsored (paid) listings." - Jupiter Research

*Web solutions that produce results!*

"Based on our evaluation of our web site, and the various associated search engine optimization services that you provide us, these have proven to produce greater results than any of our other means of advertising. In fact, your company's services produce more and better results than all of our print, radio and direct mail campaigns combined."

**Mark Downs Office Furniture**

[www.markdowns.com](http://www.markdowns.com)

"I wish to inform you that since the launch and marketing of our website, we have been able to attract national customers such as J.C. Penney and Best Buy. This had led to an eighty seven percent increase in our business."

**City Express**

[www.citypl.com](http://www.citypl.com)

"WOW! Words cannot fully express the way you and your colleagues have consistently gone above and beyond my expectations with your work on developing the [www.aldositaly.com](http://www.aldositaly.com) website. The results of your outstanding work are clear, nearly 30,000 hits in the first 18 days of this month alone!"

**Aldo's Ristorante Italiano**

[www.aldositaly.com](http://www.aldositaly.com)

"We have been extremely please with the increased traffic and orders that [www.Nutrivene.com](http://www.Nutrivene.com) has generated, not to mention the positive comments we've received from our customers!"

**International Nutrition, Inc.**

[www.nutrivene.com](http://www.nutrivene.com)

"We had high expectations of your company when we chose it to build JewelSonic, and it has not only met but exceeded them in every regard. We hope you are as proud of our site and team as we are."

**JewelSonic**

[www.jewelsonic.com](http://www.jewelsonic.com)

"We launched the site in October and we instantly started receiving orders, many many orders. So many orders I had to call Charlie last week and ask him to temporarily turn off the online ordering as we couldn't keep up."

**Rheb Candy Co.**
